## Welcome!

Take a quick tour to learn  
what you can accomplish with  
IntelliFlight

Great, let's get go

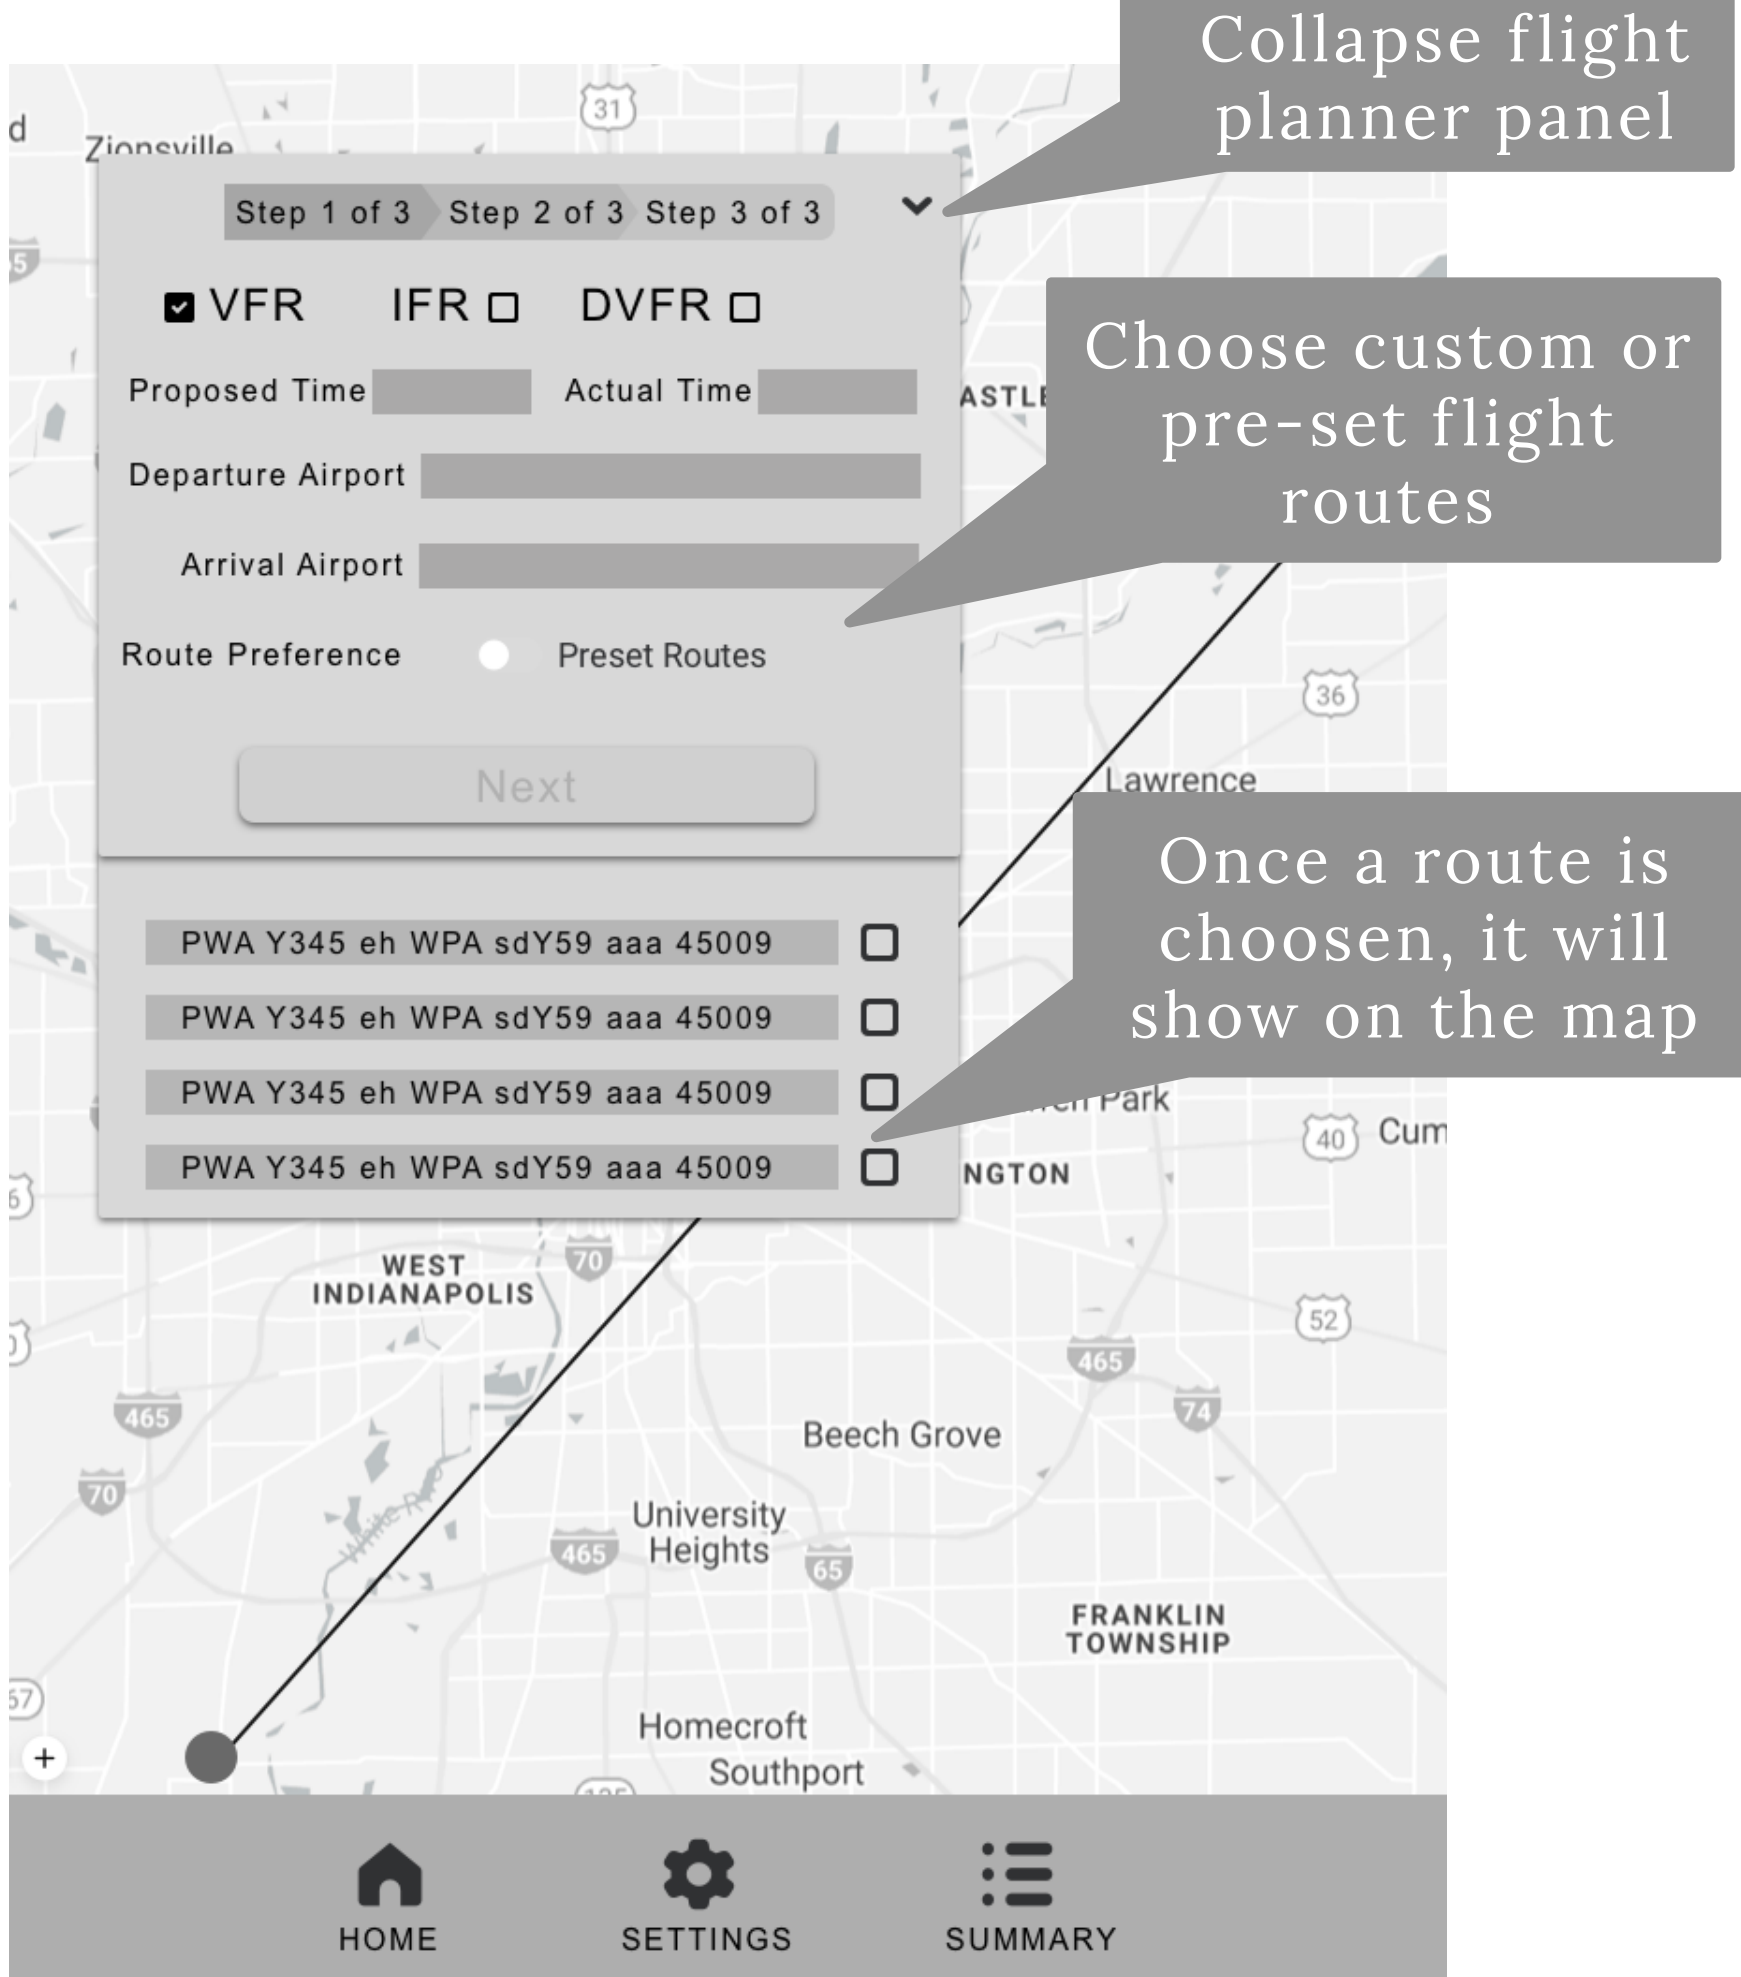

No thanks

Use IntelliFlight to create flight plans, receive PIREPs, and pre fill flight content in your settings page.

Start the tour

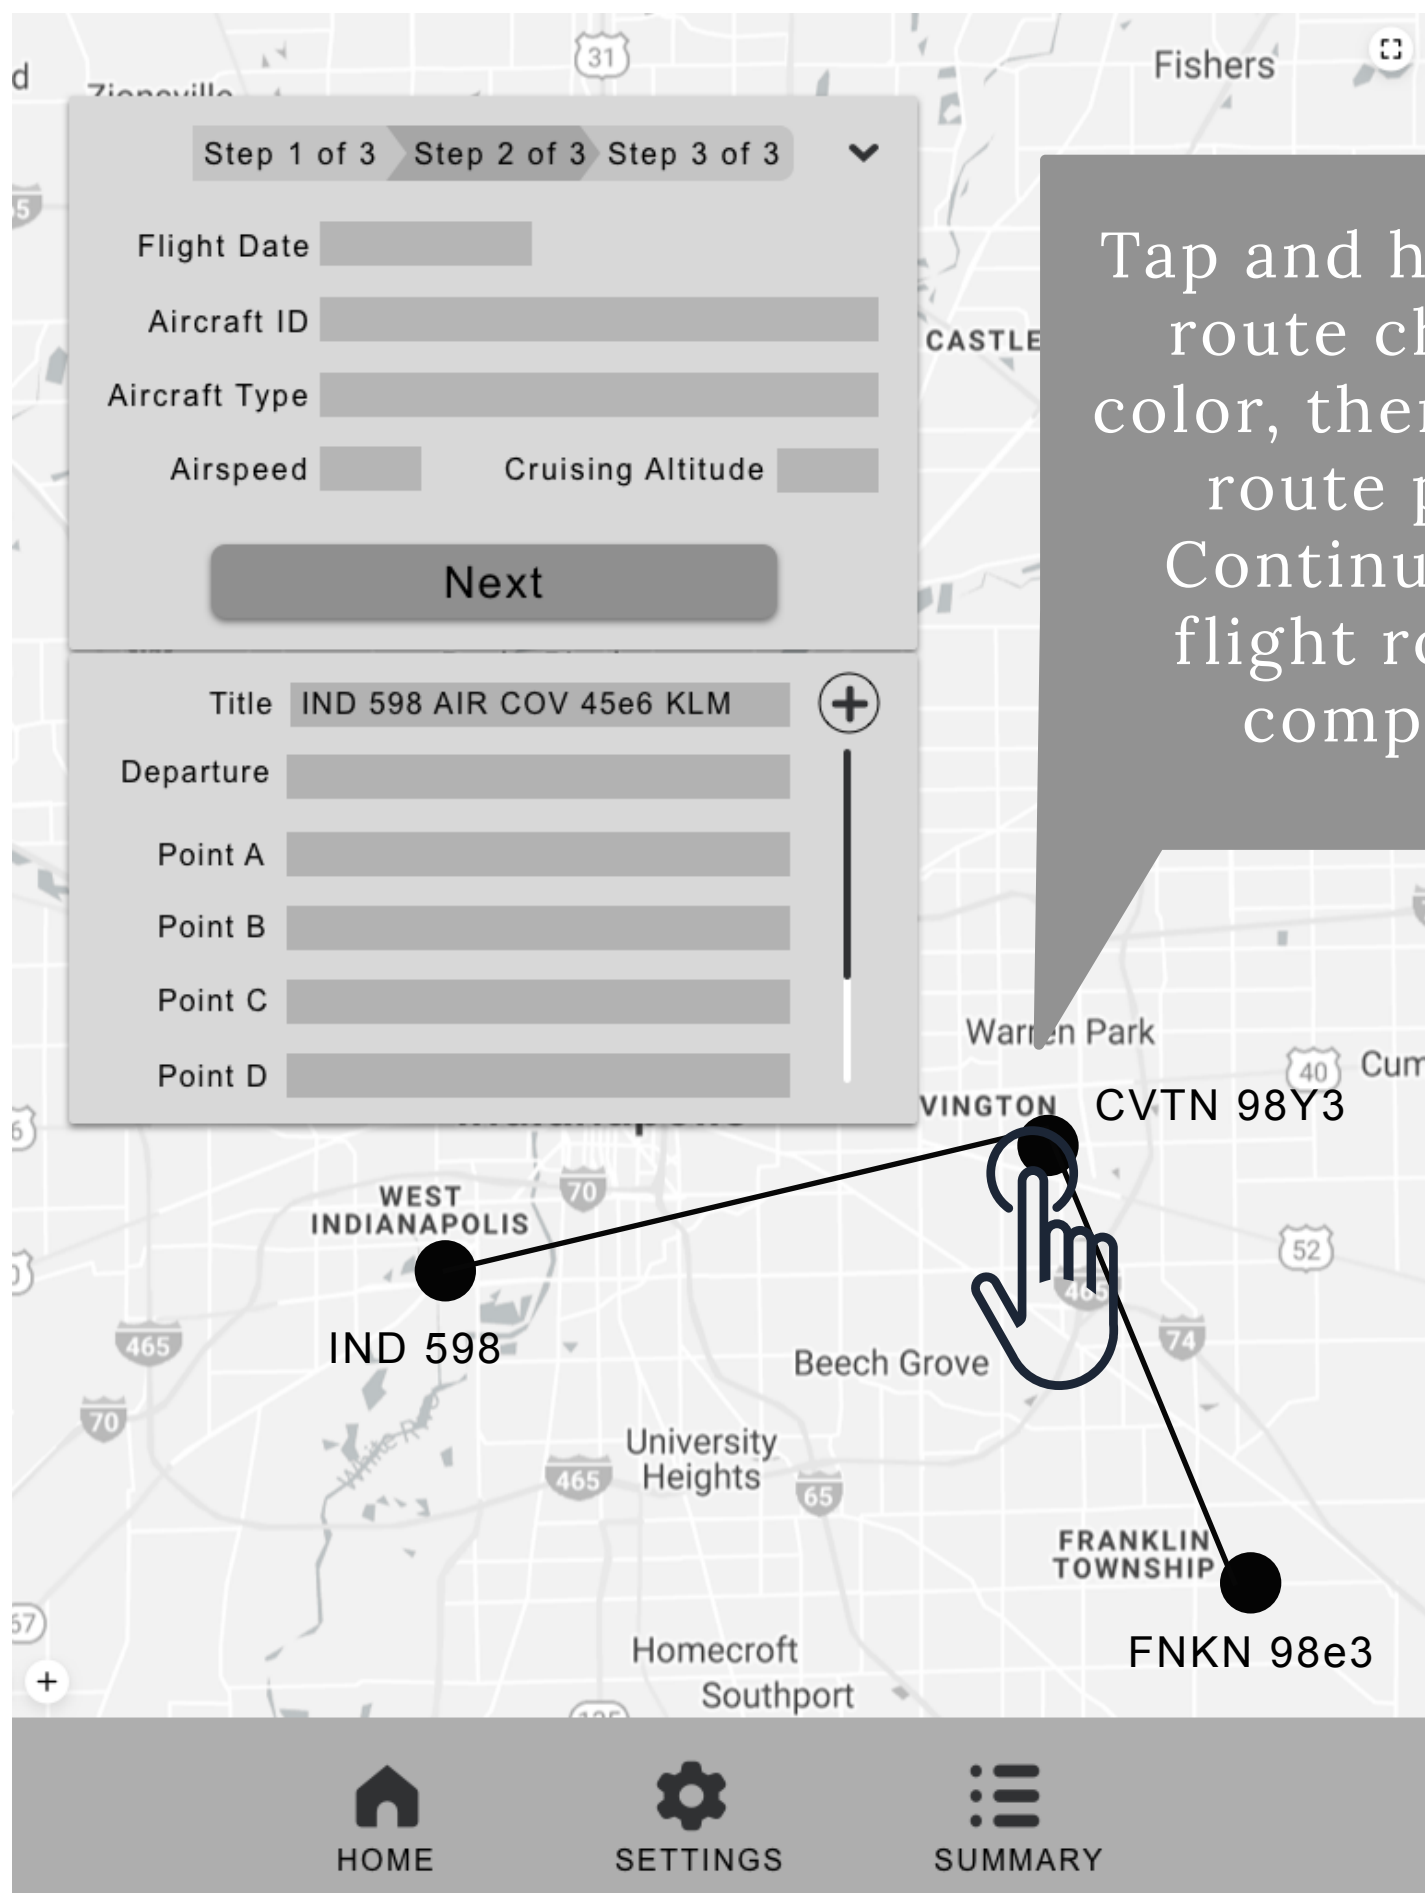

Welcome!

This is where you create a flight plan.  
Enter in the departure and arrival  
locations. Choose a pre-set route or  
create a custom one.

Got it!

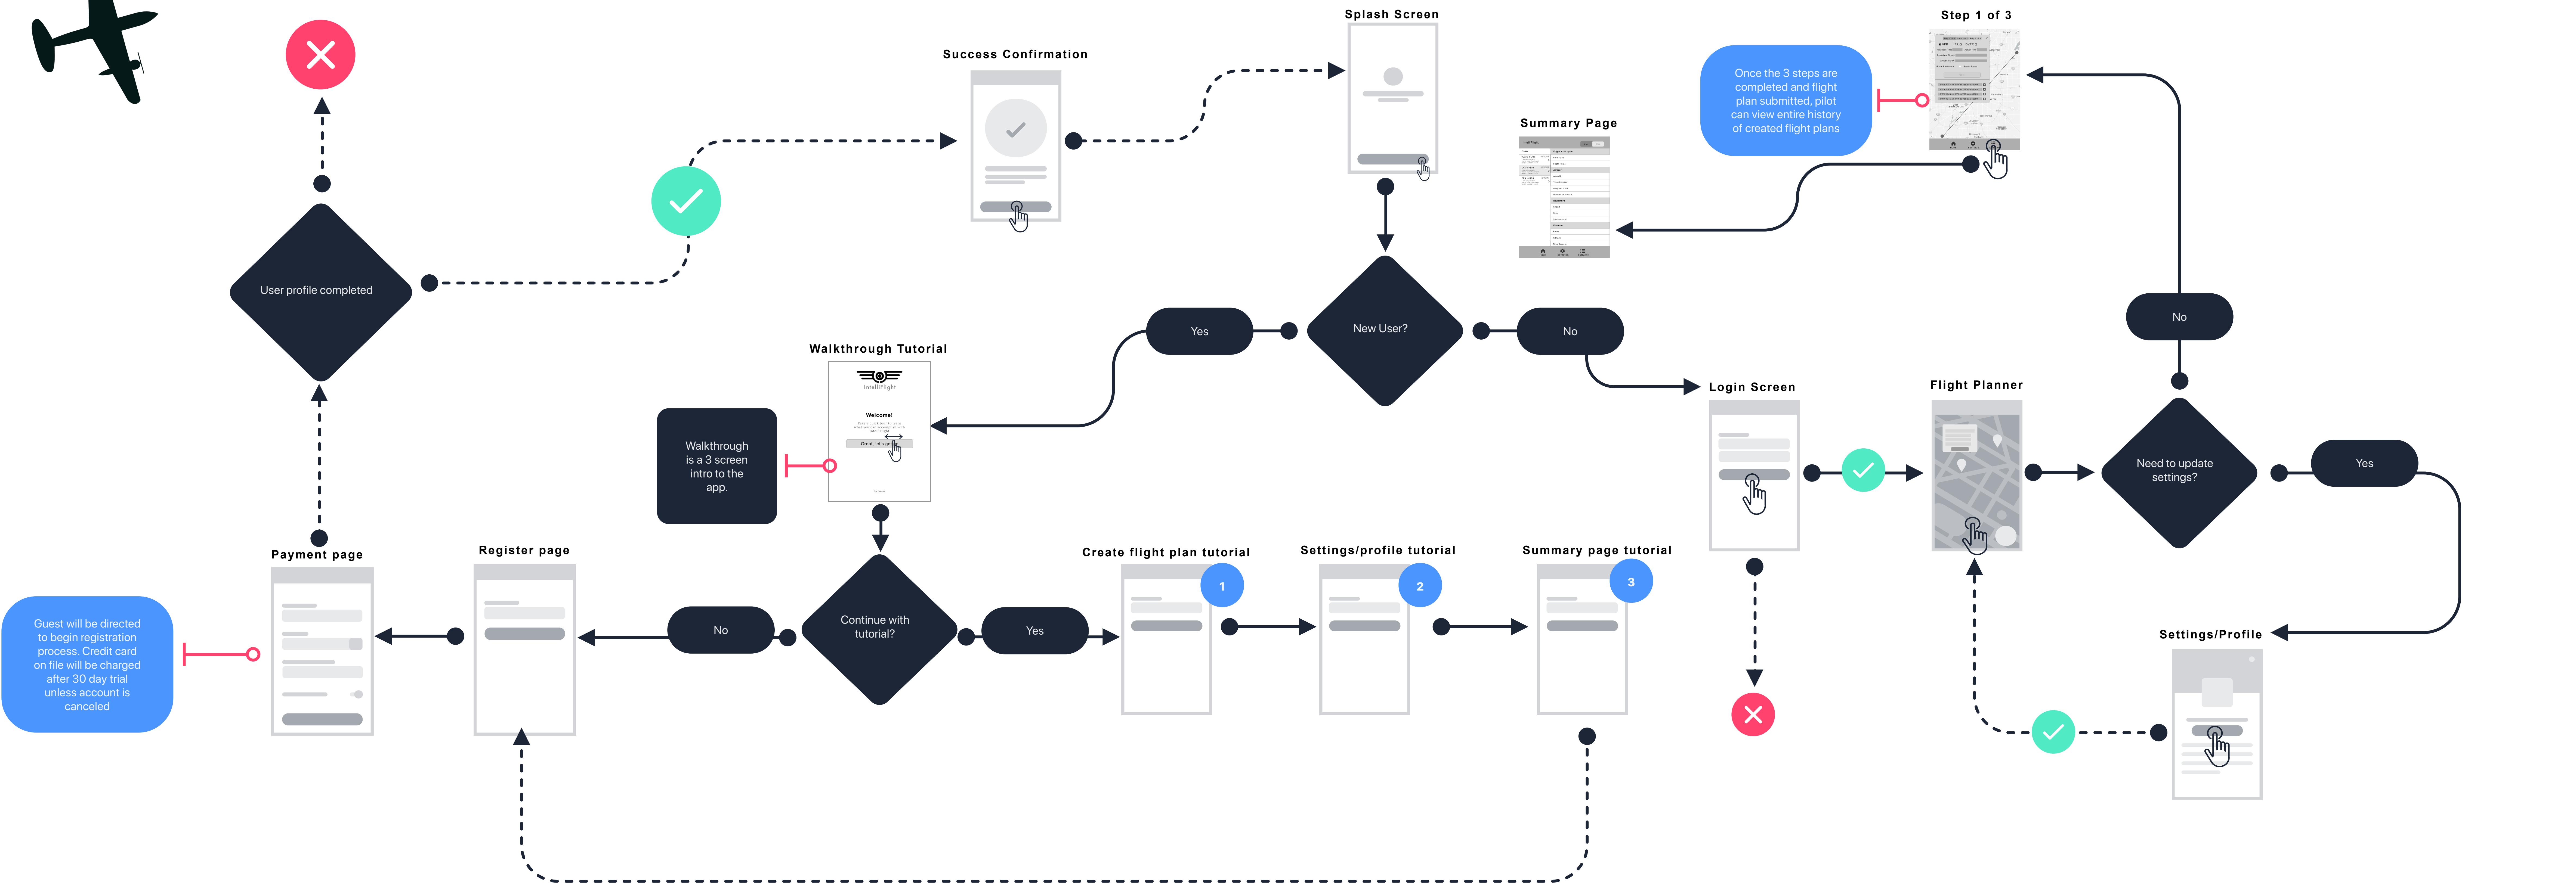

Tap and hold until route changes color, then drag to route point. Continue until flight route is complete.

When creating a custom route, you can enter each point in manually or create each point on the map.

Explore settings page
